

AAPCP Provider Compensation Survey and Data Week

August 26 - 29
Live Virtual Event
12 PM to 2 PM EST

Day 1 – Understanding the Framework

The Maze – Survey and Data Best Practices in 2024

Carey Lowe-Curry (Pinnacle) will discuss benchmark surveys, possible bias, nuances to consider in individual each survey, looking beyond the typical benchmark tables, tips on using multiple surveys and year over year changes within the surveys. In addition, the session will discuss anticipating issues that may impact next year's data.

DataTrends: Departments, Physician Fee Schedules, Sign On Bonuses, and More

The AAPCP will offer a presentation on how organizations structure their provider compensation and workforce strategy teams, along with discussion of unique data areas such as sign on bonuses, fee schedule use, work hours, and more!

A Deep Dive with ECG Into Academic, Pediatric, and Neuroscience Specialties

Maria Hayduk and Blake Sternard (ECG) will provide expert-level insight into recent market developments for academic and pediatric physicians and a focused discussion on trends in neuroscience specialties.

A Deep Dive with Gallagher Into 2024 Survey Results including Oncology, Anesthesia, and Surgical Specialties

Chad Stutelberg, Kevin Loeffler, Rachel Swanson, and Jon Delaney (Gallagher) will provide expert level insight into recent market developments in Oncology, Anesthesia, and Surgical Specialties.

A Deep Dive with SullivanCotter Into Primary Care, APPs, and Inpatient Specialties

Julie Mannion and Hadley Powless (SullivanCotter) will provide expert level insight into recent market developments in primary care, APP compensation and utilization data, and physician and APP compensation considerations for inpatient specialties.

Beyond Surveys: Understanding Data Resources With Targeted Research

Neal Barker and Terrance McWilliams (HSG Advisors) will provide expert-level insight into data that goes beyond surveys in a more targeted manner around unique topics.

Local Market Data and Compensating Physicians for Availability

Tim Smith and Nick Newsad will be presenting on new data sources to understand local market dynamics as well as new resources for compensating physicians for call.

AAPCP Roundtable Wrap Up

Join the AAPCP as we have a final roundtable of experts across the country to discuss key takeaways from the conference and future forecasts around compensation.

Day 2 – The Current Market and Subspecialties

Day 3 – Primary Care, APPs, and Unique Datasets

Day 4 – Local Markets, Call, and a Roundtable

Registration: This virtual event is open to both members and non-members. Member rates include \$250 per individual or \$1,000 for unlimited participants from a single organization. Non-member rates are \$300 per individual and \$1,200 for unlimited participants.
